PUBLIC REPRESENTATIVE COMMENTS ON  
POSTAL SERVICE REQUEST TO ADD PRIORITY MAIL EXPRESS CONTRACT 35  
TO THE COMPETITIVE PRODUCT LIST

(March 28, 2016)

The Public Representative hereby provides comments pursuant to Order No. 3168.<sup>1</sup> In that Order, the Commission established the above referenced docket to receive comments from interested persons, including the undersigned Public Representative, on a Postal Service Request to add Priority Mail Express Contract 35 to the competitive product list.<sup>2</sup> The Postal Service's Request includes a Statement of Supporting Justification, a certification of compliance with 39 U.S.C. § 3633(a), and a copy of Governor's Decision No. 11-6. The Postal Service also filed (under seal) a contract related to the proposed new product, and supporting financial data.

According to the Postal Service, Priority Mail Contract 35 is a competitive product "not of general applicability" within the meaning of 39 U.S.C. § 3632(b)(3). *Request at* 1. The Postal Service also maintains that the prices and classification underlying the

instant contract are supported by Governors' Decision No. 11-6.<sup>3</sup> The Postal Service further asserts that the Statement of Supporting Justification provides support for adding the Priority Mail contract to the competitive product list. *Id.* at 2.

## DISCUSSION

*Requirements of 39 U.S.C. § 3633.* Pursuant to 39 U.S.C. § 3633(a), the Postal Service's competitive prices must not result in the subsidization of competitive products by market dominant products; ensure that each competitive product will cover its attributable costs; and, ensure that all competitive products collectively contribute an appropriate share of the institutional costs of the Postal Service.

The contract's effective date will be set two (2) business day following the date on which the Commission issues all necessary regulatory approval. *Attachment B* at 2-3. The contract is to expire three (3) years from the effective date, unless 1) terminated by either Party within 30 days' notice with applicable restrictions, (2) renewed by mutual agreement in writing, (3) superseded by a subsequent Agreement between the Parties, (4) ordered by the Commission or a court, or (5) required to comply with subsequently enacted legislation.<sup>4</sup> *Id.* at 3.

The Postal Service provides no data to demonstrate the contract's compliance with the requirements of 39 U.S.C. § 3633(a) during the second and third years of the contract. However, this concern is largely mitigated by the fact that the terms of the contract provide a formula for an annual adjustment in the negotiated rates that should permit revenues to cover costs during years 2 and 3.<sup>5</sup> The Commission also has an opportunity to conduct an annual compliance review of this product in its Annual Compliance Determination.

The Public Representative has reviewed the instant contract, the Statement of Supporting Justification, and the financial data and model filed under seal

that accompanies the Postal Service's Request. Based upon that review, the Public Representative concludes that Priority Mail Contract 35 should be categorized as a competitive product and added to the competitive product list.

The Public Representative respectfully submits the foregoing comments for the Commission's consideration.
